

# PARK RIDGE

At NVHomes, issues of quality always win out over issues of quantity - it's not how many, it's how good. So when we select a community to build your NV home in, ordinary won't do. Each of our communities is a jewel, hidden away, yet convenient to major roads, shopping, excellent schools and everything else that you desire to make your life comfortable. *NV Homes Luxury for life!*

MHBR #56

NOT TO SCALE - For Illustration purposes only
